

HUBBARDTON HISTORICAL SOCIETY  
GENEALOGICAL & HISTORICAL DATABASE

The Hubbardton Historical Society needs your help to record and preserve all of the history of Hubbardton. It is our goal to create a more complete database of information. Currently our records are limited to birth, death, marriage, and burial. We would like to expand our records to include those who have moved to and chosen to call Hubbardton home. We are distributing this questionnaire to all residents in town in hopes that each will want to contribute information. If you have any questions, please call Grace Calvin (273-2242) or Marie Goodrich (273-2364). Or, you can mail it to: ***Hubbardton Historical Society, Attn: Database, P.O. Box 383, Castleton, VT 05735***
